**SINGING
PROGRAMS**

Pre School- We focus on having lots of fun involving singing, dance, pretending and playing as well as developing speech, language, fine and gross motor skills. These provide a great environment to build social skills which help prepare them for primary school.

Primary - Most children love to sing and often don't have the confidence or natural skill to do so. We find kids develop confidence through singing lessons continues to other parts of their lives. It is common for kids to sing out of tune if they haven't had lessons before the age of 12.

Teens — Our teenagers use their favourite songs to learn good vocal technique and singing skills they will carry for life. Often this period is frustrating as their voice adjusts and skilled guidance can help them through this season. We find their voices will come out even better.

Paddington

*** 10 % off for our regular Term Students**

*** 15% off for 4 days or multiple bookings**

A young boy with dark hair, wearing a white long-sleeved shirt, is singing into a black microphone. He has an open mouth and a joyful expression. To his right, a young girl with dark hair in pigtails, wearing a grey dress, is also singing into a black microphone. The background is a plain, light-colored wall. In the top right corner, there is a dark blue rectangular box containing the text 'SING in Paddington'. In the bottom center, there is another dark blue rectangular box containing two lines of white text.

SING in Paddington

We will be finishing each day with a small performance and on the Thursday our
with a 45 minute Student Showcase Concert.

Students will perform their songs and can invite all their family and friends
to watch them via our private Facebook Stream on the Thursday.
